6 - Which assignment or activity would you most recommend the instructor to use again when teaching the course in the future and why?

Response Rate	7/41 (17.07%)

- Webwork is a great way of providing homework.
- Weekly homework. It can help me practice what I learn in class and better prepare for the exams.
- no
- HW6, interesting
- Exams are ok
- The recitation in Week7, it gives me a new sight of the course.
- practice exercises

7 - Which assignment or activity could be improved and how?

Response Rate	8/41 (19.51%)

- The only assignments were homework and exams, so there is not much feedback to provide in terms of improving such assignments. I do wish that the class was spread out to 1.25 hours per day instead of 2.5 hours per two days.
- Maybe you can give more attempts to multiple choices questions in homework?
- In-class Q&A session. Professor can sometimes pause a little bit and ask if students have any questions.
- no
- all perfect
- final exam could be easier
- Recitation, the handwriting of TA is a little confusing.
- all good
